

Landmark Accelerate

Faster shipping for faster global growth

Express shipping at half the price of traditional couriers

Our new low cost express transit service delivers your products across Canada in 3 days at up to 50% less than the competition.

Open your world to new opportunities

Ecommerce moves quickly. You need to stay on top of trends, meet demand and consistently deliver experiences that keep customers engaged – without breaking the bank. With Landmark Accelerate, you get a solution that does more than keep up.

Express delivery through our own dedicated fleet

Our Canada-wide network ensures seamless end-to-end service with full tracking and proof of delivery for every shipment.

Get the local knowledge, careful handling and personal touch of a local logistics supplier – with the speed, agility and borderless scale of a global partner.

Our own final mile network in Canada ensures we take care of the whole journey, delivering your brand promise right to your customer's doorstep.

Customs clearance is handled internally by our trade experts, so you don't have to deal with the cost and complexity of multiple providers.

Enjoy simple, stress-free delivery that keeps you moving:

Rapid transit, 1 to 3 days to all major cities in Canada

Low-cost, up to 50% lower than competitive expedited services

Full visibility, with the ability to track every parcel

Being part of a global group means we provide a scalable, reliable service to deliver your growth
